K-STATE ACCESS TECHNOLOGY SYSTEM

KATS is an *interactive* system that gives you access to your academic information and allows you to manage some of your university business. For example, you are able to enroll, change your schedule, update 4 addresses; and view your grades, semester schedule, holds, student account and other related information.

This interactive system is available to you through the WWW (via a computer) using the url of <http://kats.ksu.edu> or over the telephone by calling 1-785-395-1200. KATS can be accessed via the WWW directly from the K-State home page. Not all information is available and not all business can be conducted via the kiosk or the telephone. (Kiosk machines are located in the K-State Union, Anderson Hall and Hale Library.)

When using KATS you need to appropriately log-on and log-off of KATS as instructed. These procedures are necessary to secure the information being presented to you. When using a public computer and/or the kiosk with printing capabilities, the printed information will not contain identifiable information, i.e. your name or student ID number.

If you have questions about KATS, see <http://kats.ksu.edu>/Frequently Asked Questions about KATS or call Enrollment Services 1-785-532-6321; for a KATS phone PIN reset call the Help Desk at 1-785-532-6282.
